## NOTICE TO EXHIBITORS

### Premium List

- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused by veterinarian or judge, or barred from competition by action of the Trial Committee. ● No entry will be refunded if the trial cannot be opened or completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of public enemy, or any other cause beyond the control of the organizing committee.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dog and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the show site. In such case, no refund of any fees will be made.
- Exhibitors are responsible for complete, accurate, and legible information on their entry forms; illegible or incomplete entries cannot be entered into the show. All entries must be made on Official AKC Entry Forms or copies and **must include the Agreement and Rules**. No Entry shall be made and no entry shall be accepted which specifies any condition as to its acceptance.
- Handlers may opt to run in a higher height division, but not in a division lower than their proper height division.
- **No Refunds of overpayments of \$10.00 or less. Bitches in season and injured dogs** are not permitted to compete in Agility Trials. **Please note:** Refund of entry fees for injured dogs or bitches entered in the trial that come in season after the closing date of this show may be obtained by sending a veterinarian's certificate to the trial secretary before the start of the show. Entry fees will be refunded less \$5.00 per run.
- Choke collars pinch collars, electric and dummy electric collars are prohibited on the trial grounds. Exhibitors may wear shirts or insignia of their training group if they wish. ● All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. **Judges are not required to wait for dogs.** The owner or handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. ● Exhibitors are responsible for cleaning up after their own dogs. **Please** help us keep this site clean and available for future use.
- Returned checks do not constitute a valid entry fee. The Trial Secretary will add a \$20 collection fee to the amount of each returned check. Subsequent returned checks from the same exhibitor may result in their being put on a cash only basis.
- AVMA Statement: Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.
- These trials will be held indoors on turf. Waterproof mats/tarps are needed under crates. There is plenty of crating space. Crates may also be left in the building overnight. **Dogs Eligible to Enter**

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds. Bitches in season, aggressive, blind dogs or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance are ineligible to participate. Mixed breed dogs that have been listed with AKC Canine Partners may participate provided their listing number has been recorded on the entry form.

### **Class Changes Effective January 1, 2021**

#### **Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day**

Effective January

1, 2021, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24Cinch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1<sup>st</sup>run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

#### **Entering For Exhibition Only (FEO)**

As of January 1, 2021, For Exhibition Only will be offered. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es)

(T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring o Toys must be non-audible o Toys may not leave the handler's hand o Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

#### **Fix and Go On (FNG)**

As of January 1, 2021, Fix and Go On will be offered. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.
